

2-26-10

Dear Mr. Jennerik,

Our class just finished your book "Just Right!" it was a good book, although it has a very abrupt ending. My favorite part is when Bobby takes a tour of the Zerv Berry Factory because it explains what Zerv Berries are, and it's creative. I also like the play-on-words with "CO<sub>2</sub>" to "Cee otu" and "Walmart®" to "Want mart®".

From,  
A.
