

# SUPPORTERS OF THE OFFICIAL VISION STATEMENT OF SAN JUAN COUNTY

①

To: Steering Committee of the Citizen Advisory Committees,  
Board of County Commissioners, and  
San Juan County Planning Department:

We undersigned residents of San Juan County support "A DECLARATION OF VISION AND COMMITMENT TO THE FUTURE OF SAN JUAN COUNTY" which calls for preserving our rural character, social diversity, and abundance of resources. Since continual development and population growth would destroy these values, we ask that you forthrightly determine the population that is consistent with the Vision Statement. Please include in the Comprehensive Plan equitable measures such as density reduction and development limitation, sufficient to assure that our beautiful environment and friendly, diverse community will be maintained now and for future generations.
